

We are pleased to welcome your pet, at Radisson Hecla Oasis Resort!

There is a one-time \$35.00 service fee charged per pet, per stay, which is for a deep clean of the guestroom/villa after departure. Your pet will also receive a special welcome gift!

In order to ensure that we can continue to welcome pets, we ask that you follow these simple rules:

- One pet per guestroom/villa, unless permission of management has been granted for more.
- All pets, large or small, must be kept on a leash at all times in all public areas.
- Pets are to be kept quiet in order to not disturb other guests.
- Pets are to be kept off all furniture, including beds.
- Excessive shedding and dirty or wet pets are to be kept out of the guestrooms. Pet towels are available from our Housekeeping Department to dry and clean your pet.
- Pets are never to be left alone in your guestroom/villa. If you plan an outing without your pet, please make alternate arrangements. You may contact Guest Services for more information. We recommend that a kennel be brought with you in case you have to leave your pet unattended. Pets must be placed in their kennel if left in guestroom.
- Small to medium cats & dogs only, weighing no more than 50 lbs.
- Hecla/Grindstone Provincial Park has a poop and scoop by-law so please ensure to pick up after your pet (small bags may be obtained from the Front Desk).

An additional fee will be levied on your credit card if, after checkout, our Housekeeping Team discovers improper condition to the guestroom/villa or if extraordinary cleaning is required to meet our cleanliness standards. You will be liable for any damages and repairs other than normal wear and tear. Any noise complaints that result in refunds to other guests will be charged to the pet guests' room(s).

Thank you for respecting our pet policy. We hope you and your pet enjoy your stay!

I, _____ in guestroom #_____ have read and understood the Radisson Hecla Oasis Resort Pet Policy form and will obey it.
